It removes the cause of disfiguring eruptions, loss of hair and baby blemishes-viz.; The clogged, irritated, inflamed or sluggish condition of the PORES. CUTI-CURA SOAP combines delicate emollient properties derived from CUTICURA, the great skin cure, with the purest of cleansing ingredients and most refreshing of flower odors. No other medicated soap ever compounded is to be compared with it for preserving, purifying and beautifying the skin, scalp, hair and hands. No other foreign or domestic soap, however expensive, is to be compared with it for all the uses of the toilet, bath and nursery. Thus it combines in ONE SOAP at ONE PRICE-namely, 25 cents-the best skin and complexion soap, and the best toilet and baby soap in the world.

Our baby, when one month old, had a raw place on her neck which spread slowly over the whole face, the face and neck being all raw meat, sometimes dry and then wet, and something awful to look at. The way the child suffered, mother and child never had any rest day or night as it constantly itched, and the blood used to flow down her cheeks. We had doctors and went to the dispensary without any result. By using part of a bottle of CUTICURA RE-SOLVENT, three boxes of CUTICURA Ointment and CUTICURA SOAP, the child was entirely healed. Now she is two years old and has a lovely skin, which we can be thankful to CUTICURA REMEDIES and nothing else. Mrs. EMIL F. GARNJOSS. 231 Nassau Ave., Brooklyn, N. Y.
